AFFIDAVIT

I hereby truthfully state the following facts of enemy atrocities which I personally witnessed:

I, 45 years of age, am a native of Chang Yung Village, Chow Hsu Shan, Ping Yang District. The livelihood of my family of 6 members depended entirely on my husband, Hsing Ho. Unfortunately Ping Yang was captured by the Japanese forces on 15 Nov 1944. Wherever the Japanese went, they indulged in plundering, rape and murder. My husband was placed on guard on the northern height of our village at 5 o'clock in the morning, 19 April 1945. Not knowing that the Japanese troops had laid a siege to this village, he met the Japanese and was captured by them. They beat him savagely and bayoneted him to death.

The above statement contains facts free from falsehood. If the enemy atrocities stated above be eventually brought to trial in a court, I am willing to appear either as an accuser or as a witness and to undergo punishment for any malicious accusation or false testimony.

AFFIDAVIT

I hereby truthfully state the following facts of enemy atrocities which I personally witnessed:

To prevent a surprise penetration of the Japanese forces into our village, the people decided to take turns as village sentinels day and night. On 19 April 1945, WEI Hsing Fo took his turn to be on guard. At 5 a.m. he proceeded to the elevated point in the northern part. Unexpected, the enemy had already encircled around the village. WEI Hsing Fo met with the enemy at that said elevated point and was immediately arrested. At first, he was whipped which caused wounds all over his body. At last, he was bayoneted to death.

The above statement contains facts free from falsehood. If the enemy atrocities stated above be eventually brought to trial in a court, I am willing to appear either as an accuser or as a witness and to undergo punishment for any malicious accusation or false testimony.
